STARDANCE EVENT CENTER

Stardance Event Center is a stunning wedding venue located in Tucson, Arizona. Our rustic space offers sweeping panoramic views of the Tucson Mountains and borders the spectacular natural beauty of the Saguaro National Park West. Spread over 30 acres, it is a unique choice for couples seeking a picturesque outdoor ceremony that is adaptable and offers plenty of space. We are located only a short drive away from Tucson's downtown. Stardance is a conveniently located escape from the city into calm country wilds.

Details

Stardance Event Center can host up to 500 guests in comfort and style. A picture-perfect ceremony can be organized outside on the grounds of the property against the background of an immense expanse of rocky terrain.

The 6,000-square-foot indoor reception area welcomes large parties to celebrate. It's got a rustic barn style, but can be decorated in any theme.

Our 40-foot sliding doors lead onto the Catalina Terrace lawn. This charming space offers views of Tucson's city lights and the Catalina Mountain Range and allows guests to enjoy a cocktail in the fresh air. It's also a great place to play yard games.

For those who would like to celebrate entirely outdoors, Sunset Vista is a 3,000-square-foot outdoor space complete with a beautiful fountain.

There is also ample parking available on-site for guests arriving from far and wide.

Stardance Event Center offers various packages to accommodate the needs of every couple. We cater to every stage of the wedding experience from ceremonies to receptions. Our staff offers catering in buffet and hors d'oeuvres serving styles. We can also provide couples with event rental items including altars, chairs, décor, centerpieces, dance floors, linen, and drapery. High-tech sound and lighting equipment can also be made available for the use of groups. Our staff is happy to help set up events and clean up after the party has ended.

When you work with Stardance's In-House Vendors, you get personalized attention too. Our DJs and Caterers will meet with you to customize your playlist and your menu. Your Coordinator will work to not only make sure your special day goes smoothly, but also that the linens and chargers fit your color scheme during your planning meeting, and that the bridal party understands the order of the processional after your rehearsal. YOUR FAQs *Answered*

QUESTION 1

What is the maximum number of guests we can have?

At Stardance Event Center our packages start at 100 guest and go up to 500 which is our maximum capacity.

QUESTION 2

Is there Gratuity added to my package?

We do not add gratuity. Our staff and vendors work very hard and would appreciate any tip you deem fitting, but unlike many venues, it is not added to your package. If you choose to tip, you should consider putting someone in charge of distributing them that night.

QUESTION 3

Do I have to use your Caterer or Baker?

You are able to bring in outside catering or cake if you choose. All of our vendors are fantastic and reasonably priced. However, you may have a family member that wants to gift you their services.... and we completely understand that.

QUESTION 4

If my guests don't feel comfortable driving home, can they leave their vehicle overnight?

We want all guests to stay safe. Vehicles are permitted overnight, as long as they are retrieved by 11am the next morning. Stardance won't be held liable for any damages.

QUESTION 5

What can I expect during my Rehearsal at Stardance Event Center?

Rehearsals are typically scheduled in the afternoon or evening on the Thursday before your Wedding. It is a 1 hour appointment where you and your bridal party learn a little more about the flow of your big day. You'll practice the Processional & Recessional. It's a great opportunity for you & your bridal party to become more familiar with the space and to ask any questions. It is also the perfect time to drop off your alcohol to be chilled and decor to be stored. Because we likely will have more than one rehearsal that night, it is important to be on time. Please remind your bridal party.

QUESTION 6

Can I leave my decorations to pick up the next day?

Unfortunately not. Many times we have a wedding the next day. We need to clean and set up for them. We don't have enough storage space to keep your items. All left over food, alcohol, and decor must be taken home the night of your wedding. You will want to have a team or person in charge of this.

QUESTION 7

Do I need to hire a Wedding Planner?

As with all your decisions, the choice is yours. But if you are trying to watch your budget, it is not necessary. The majority of our brides find that Stardance Management and Coordinating team make the planning process run quite smoothly. However, if you do decide on hiring a Wedding Planner, we do work well with outside vendors.

QUESTION 8

I'd like to get ready at Stardance Event Center. Is that okay?

Absoulutely! Our staff will open up at 12pm so that you can start on makeup and hair. Your decorator can also begin setting up at that time.

QUESTION 9

Can our guests do shots at the bar?

We have a no shots policy once the bar opens. This is to protect your guests and our bartenders. People tend to get out of hand if they party too hard. We make sure guests have fun, but not out of control. We also ID. so please make sure your guests remember to bring it.
